**CONFIDENTIAL**

30 September 1955

MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Weekly Activity Report for Week Ending 30 September 1955

1. Generala. Project USEFUL #2

A two-week course (known as Project USEFUL #2) is being conducted in the Agency to provide about 40 military officers, selected by the Joint Chiefs of Staff, with an orientation on the Agency organization and mission and its capabilities, limitations, and attendant problems in support of military operations in wartime. On 28 September the Chief of the Planning Staff, OL, assisted by other members of this Office, presented the class with a two-hour briefing

2. Projects and Studies in ProcessWar Planning Procedures

A meeting of war planning representatives of all support elements was held by SPA/DD/S to discuss methods for the support elements to contribute more effectively to Agency war and mobilization planning. It was tentatively agreed to form an ad hoc group, comparable to the Support Committee of the CSPB, to determine the best means for accomplishing support planning for wartime and to submit recommendations to PPC as to the procedures necessary to ensure adequate and timely participation by each support element.

**Subject: Weekly Activity Report for Week Ending 30 Sept. 1955**

**4. Transportation Division**

**Delay in Shipments of Personal Effects**

Inbound shipments of personal effects of Agency personnel have been delayed for the past three weeks as a result of the recent dock strike in New York. This backlog of shipments is gradually being worked out, and it is expected conditions will return to normal within the next few weeks.
